Sit back and relax in our vintage 1925 & 1927 coaches as the fall countryside rolls past your window. On select weekends our magician will appear doing slight of hand illusions and balloons that will entertain the children and adults alike. Or don't be surprised if a hobo wants your seat and asks for a handout. While we regularly throw Freddie off the train, he always manages to get past our conductor. Free with each paid child's fare a bag of popcorn and on completion of the ride, a small pumpkin can be selected to take home.

Youngsters select the 'perfect' Pumpkin.

Carrying of concealed weapons on the train or platform is prohibited. Neither smoking nor consumption of alcohol is permitted.

No pets on premises please!

The railroad is not responsible for a lack of sufficient capacity. Only certified guide/service dogs accompanying passengers with disabilities are permitted on train.
