Wild West Weekend

Forget about what you learned in History class as you witness firsthand how justice was served western style with an old fashioned bank and train robbery. Come and meet the better-known heroes, the outlaws and cowboys of the old west.

Bandits cornered!

Visit free a saloon full of gamblers (Sarsaparilla to be served only), blacksmith and shop at period merchants or our General Store. Witness a street shoot-out and bank robbery and more.

Round trip will last approximately an hour and a quarter and will cover twelve miles through Ashtabula County back farm country.

Our locomotive is a first generation Diesel pulling three full sized vintage coaches dating from 1925 & 1927. There is one lavatory available after leaving the station.

NOTE: Schedules are adhered to as closely as possible, but the railroad reserves the right to alter schedules, change fares, substitute coaches and/or motive power as operating conditions demand. The railroad is not responsible for a lack of sufficient capacity. Only certified guide/service dogs accompanying passengers with disabilities are permitted on train. The AC&J is not handicap accessible.
